### TY AND COUNTY OFFICIAL PAPER | We are handling

Arizona has a compulsory school law on her statute books which has always been a dead letter.

The output of gold in Arizona is larger than ever before in any six month of her existence, and the increase will be largely augmented in the next six months.

young woman hastily left a spiritualistic scance because when she jabbed a batpin into the leg of a "spirit" she distinctly beard a ghostly swear word enunciated with great fervency. Well, there are some things that no selfrespecting ghost will telerate.

At Los Angeles a deserted woman recently brought suit against her former husband's second wife for \$20,000 damages for alienatin; the man's affections, but the court granted a motion for a non-suit on the ground that there had been no satisfactory evidence of any real affection having existed between husband and wife singe 1891.
